

Unobstructed bifurcated blood vessel

Tuesday, August 30, 2022 11:46 AM

Objective: I plan to at the very least finish modeling the healthy (unobstructed) bifurcated blood vessel and to get started with the blockage designs, as shown to the right.

Tuesday, September 6, 2022 9:28 PM

Objective: I plan to have the blockages modeled as shown to the right and get started on simulation.
